To Whom It May Concern

Re: Summer Intern 2022

This is to confirm that Mr HUSSAIN, Wasif Latif, HKID Card No: F078278 (1) has worked as an Intern in Key Direction Limited during the period from 1 June 2022 to 15 July 2022. He was involved in the project which covered the following area:

- Asset Condition Assessment for a railway operator in South East Asia

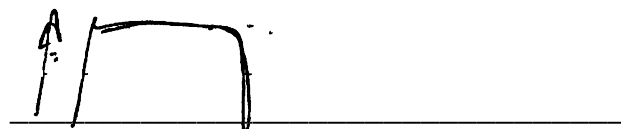

During his internship, Mr Hussain has demonstrated his motivation and willingness to learn on all the works that were assigned to him to do to the satisfaction of his supervisor.

I wish him all the best in his on-going studies and I have no reservation in recommending him for any of his future work endeavour.

Thank you for your attention.

Yours sincerely,

For and on behalf of
